

Your homework is to respond^{1,2} to the following three questions:

1. For each question you have the space of one A3 at your disposal. You may answer in whatever medium seems most suited to you: your response can be text (writing, typography), image (photography, drawing, etc.) or a combination of the two. Please note: All text must be in English, as the applications will be evaluated by teachers and students of the Gerrit Rietveld Academie, who do not speak Portuguese.
2. You are expected to submit your solutions as a pdf-file (maximum size: 3MB). Each sheet must clearly state your full name and a), b) or c), there is no need to repeat the full question. Please note: your application will be viewed as one-sided print outs.

a) To start off, we would like to get to know you as an individual. Briefly introduce, present, portray yourself. What would you like us to know about you?

Short: Who are you?

b) A school is generally understood as an institution that passes on expertise, or in other words, it broadens your knowledge and sharpens your interest in a given area. What would you expect from participating in the Escola Aberta?

Short: What do you want to learn?

c) The Escola Aberta wishes to transcend the traditional ways of learning by erasing the hierarchy between teacher and student and thus encouraging a reciprocal exchange of opinions and knowledge. How would the other participants benefit from your participation?

Short: What can you teach?

a)

b)

c)
